

# Laura Davis

FOUNDER · OPERATOR · SPEAKER · HOST · AI EXPERT · POLICY INSIDER

## THE SPEAKER

Laura Davis is Co-Founder and Chief Business Officer of **USLege**, the AI platform redefining how government affairs teams operate. Before building the software, she lived the work. Nearly a decade across the U.S. House, U.S. Senate, the U.S. Chamber of Commerce, the Texas Governor's Office, the Texas Senate as Policy Director, and The Brannan Firm as a contract lobbyist. She hosts *Bills & Business*, a podcast for policy professionals with 50+ episodes, and speaks at main-stage events alongside leaders from Amazon, OpenAI, and Meta.

## KEYNOTE TOPICS

- |   |   |
|---|---|
| <b>01</b> AI Is Not Replacing Government Affairs. It's Amplifying It. | <b>02</b> Policy as Strategic Advantage: From Compliance to Competition |
| <b>03</b> The AI Policy Wedge: Why States Are the New Federal         | <b>04</b> MCP and the Future of Policy Software                         |
| <b>05</b> Agentic AI in Government Affairs: When the Work Does Itself | <b>06</b> Why Every Bill Is a Tech Bill Now                             |

*"Who says you can't teach an old dawg new tricks? The USLege team takes the time to teach me how to navigate, use, and prosper with AI and the USLege platform."*

**Neal T. "Buddy" Jones**

Senior Partner & Co-Founder, **HillCo Partners** · Texas's premier government affairs firm
